Artist: Evanescence  
Song: Lacrymosa

Hi, this is a very simple song, its beautiful ans really easy for the guitar.

```

Em          B7
Out on your own
Em          B7
cold and alone again
Em          B7          Em C B7
can this be what you really wanted, baby?

Em B7          Em B7
Blame it on me.
Em          B7
set your guilt free
Em          B7
nothing can hold you back now

Em          B7
Now that you're gone
Em          B7
I feel like myself again
Em          B7          Em C b7
grieving the things I can't repair and willing ...

Em B7          Em B7
to let you blame it on me
Em          B7
and set your guilt free
C          B7          Em
I don't want to hold you back now love

Em          C          Em
I can't change who I am

Em          C
not this time, I wont lie to keep you near me
Em          C
and in this short life, there's no time to waste on giving up
B7          Em          B7
my love wasn't enough

Em          B7
and you can blame it on me
Em          B7
just set your guilt free, honey
C          B7          Em
I don't want to hold you back now love.
